

第二十二号様式（第三十四条関係）

検査合格証票

The diagram illustrates the layout of a seed inspection certificate. On the left is a rectangular form with a small circle at the top center. The text on the form is as follows:

○
____年度____作
検査合格証票
(合格証明書抄本)

品種 _____

栽培地 道 市町
 県 村

生産者氏名 _____

農林水産省 植物防疫所
(・・・支所又は出張所)

植物防疫官 _____

On the right is a circular stamp with a diameter of 4 centimeters. The text inside the stamp is:

指定種苗検査
合格証
植物防疫所

The stamp features a central circle containing the characters "合格証" (Qualified Certificate). This central circle is surrounded by a ring containing the characters "指定種苗検査" (Designated Seedling Inspection) at the top and "植物防疫所" (Plant Quarantine Station) at the bottom. Two small squares are positioned on the left and right sides of the ring, and a series of dots forms an arc at the bottom of the ring. A horizontal double-headed arrow below the stamp indicates its diameter as "4センチメートル" (4 centimeters).
